

# BUSINESS, ECONOMICS, AGRICULTURE, SUSTAINABILITY AND THE DIGITAL WORLD IN JERSEY

**Sweet Chariot Launches Its Multi-Subject Tour to Jersey.** This tour will inspire, engage and enthuse students.

We've teamed up with **Visit Jersey, Jersey Finance, Digital Jersey, SCOOP & Jersey Sustainable Practitioners**, local hotels, attractions and transport to deliver an unparalleled experience. Meet the main players in all of these industries.

As a specialist in Jersey school tours for over 25 years, Sweet Chariot has a wealth of knowledge and experience to offer.

## DAY 1

- Depart for Jersey from your closest airport. Transfer to **Merton Hotel** for check in & lunch
- Transfer to **Jersey Finance** offices to meet **Amy Bryant, deputy CEO, and Karolina Pilcher, from Strategy & Research**. Enjoy an introduction to Jersey's finance industry:

Using an ESG-driven approach, Jersey is at the forefront of banking, corporate services, fintech, funds, investment management and private wealth, plus the specialist areas of Islamic finance and philanthropy..

St Ouen's Bay

## DAY 2

- **Rory Steel, Head of Digital Jersey**, will host you at the **Jersey Digital Hub** Academy.

Rory is an Apple Distinguished Educator, Google Certified Innovator, Microsoft Innovative Educator Expert & Microbit Champion, and the go-to guy in Jersey for all things tech.

- Meet **Alison Cambray, Vice-Chair of the Jersey Association of Sustainable Practitioners**

Ali has over 20 years' experience, working with governments, businesses and financial institutions. She holds a BSc (Hons) in Environmental Sciences and has been a IEMA member since 2002. She joined PwC's consultancy practice in London in 2008.

Coasteering

## DAY 3

- **India Hamilton** will meet you at **SCOOP**, The Sustainable Cooperative. India will inspire your students with a highly interactive discussion, activity and Q & A.

**SCOOP** is a consumer led co-operative, taking positive action to create a sustainable supply of food on the island of Jersey. India is doing a PhD, exploring food systems dynamics, and has received great praise for her innovative approach to SCOOP's business plan.

- Free time: choose from the War Tunnels, the beach, St Helier, Durrell Zoo, Coasteering...

## DAY 4

- Visit **Bouan Appétit**, "celebrating Jersey's rich heritage of farming, fishing and food"
- Optional lunch at **Watersplash Diner, St Ouen's Bay** (owned by Merton Group)
- Transfer to Jersey airport
